

# Volunteers

Menno-Hof could not function without the service and dedication of our volunteers. There is a need for *local volunteers* that give a day (or half day) as tour guides—providing a friendly and welcoming presence to our visitors.

In addition, *long-term volunteers* are needed to serve as hosts/hostesses, conducting tours during open hours and occasionally at other times for special tours, doing janitorial work and some light housekeeping. Long-term volunteers will work daily shifts with 1 day off per week in addition to Sunday. Two lovely furnished apartments (on-site) complete with kitchen accessories, towels and bedding are provided.

If you are active in an Anabaptist faith community, and in agreement with Anabaptist values and beliefs, and want to express your interest in either of these volunteer opportunities, complete the Volunteer Interest Form on page 2.
